O R D E R:

The Revenue Department have informed that the Executive Officer, Tirumala Tirupati Devasthanams reported that the number of Pilgrims coming to S.V. Nithya Annadanam Canteen and other canteens of Tirumala Tirupati Devasthanams has increased with removal of the Token System for meals. There are only 181 sanctioned posts of Servers in Tirumala Tirupati Devasthanams Canteens. Out of this, 16 posts are vacant. Lot of difficulty is experienced while serving the pilgrims in the canteens, due to lack of sufficient number of Servers. About one lakh pilgrims are provided meals and other food items daily in Tirumala Tirupati Devasthanams Canteens. To cope with the workload about 663 servers are required in all Canteens of Tirumala Tirupati Devasthanams. Out of 663 posts at present there are only 181 posts. Hence, additionally 482 Server posts are required to meet the workload.

2. The Executive Officer, Tirumala Tirupati Devasthanams has further stated that Server posts can be filled by promotion from the post of Cleaners. Out of 193 Cleaner posts, there are 164 Cleaners at present. 95 Cleaners have completed more than 8 years. Hence, at least 95 Cleaner posts needs to be upgraded to that of Servers, so that the difficulty in serving the pilgrims can be reduced to some extent. It is proposed to engage men for Cleaning purpose in Tirumala Tirupati Devasthanams Canteens on outsourcing basis therefore cleaning work will not get hampered if Cleaner posts are upgraded as Servers.

3. The Tirumala Tirupati Devasthanams Trust Board vide its Res.No. 685, dated 28.2.2009 has resolved to send proposals to Government for up-gradation of (95) Cleaner posts as (95) Server posts in Tirumala Tirupati Devasthanams. The Executive Officer, Tirumala Tirupati Devasthanams has requested the Government to issue necessary orders in the matter.
